

Water-Sewer Rates

NOTICE ASHBURNHAM WATER-SEWER CUSTOMERS

September 2010

The Ashburnham Water-Sewer Commission voted at their Regular Meeting held September 14, 2010 to establish water and sewer rates as follows:

***Water Rate Tiers:**

0 - 500 cubic feet:	\$35.00 per hundred cubic ft.
501 - 2,500 cubic ft.:	\$2.00 per hundred cubic ft.
2,501 - 4,500 cubic ft.:	\$2.50 per hundred cubic ft.
Above 4,500 cubic ft.:	\$3.50 per hundred cubic ft.

Water Tank Debt Service Fee: (customers on new tanks only)

There will be a \$5.00 Debt Service Fee added for the first 500 cubic feet and an additional \$ 0.80 for each tier*.

Water Filtration Plant Debt Service Fee of \$32.00 will be applied to each billing cycle.

Sewer Rate: The cost per hundred cubic feet is \$11.50 per hundred cubic foot effective February 11, 2014. **Note:** *Sewer Rate change effective February 11, 2014 by vote of Water-Sewer Commissioners at their regularly scheduled meeting on this day.*

The above water rate changes are effective as of July 2010.

Per order of the Water-Sewer Commission
