ADDENDUM NO. 1

(11/14/2017)

The purpose of this addendum is to confirm a clarification that surfaced after the release of the “Ipswich River – Two (2) Power Transformers” bid documents, released on 10/26/17.

1. Each firm shall submit with their proposal, a bid bond or a certified check equal to five percent (5%) of the lump sum for project bid prices or five percent (5%) of the total annual cost for per unit bid prices. If the bid bond or certified check is not included, proposals shall be rejected. (The bid bond will be returned within fourteen (14) days after the award of contract).
